

Aya Locums

Simplify staffing with Aya Locums

- We deliver locum tenens solutions for both physician and advanced practice professionals in virtually any practice setting.
- Thousands of recruiters fill your jobs quickly with quality clinicians
- We have capabilities to manage complex credentialing processes per your MSO's guidelines and can set up billing, collaborative agreements, licensing and ongoing quality assurance as needed.
- Our skilled delivery team maintains a robust pipeline of physicians and advanced practitioners in the following specialties:
 - ✓ Primary Care/Urgent Care
 - ✓ Psychiatry
 - ✓ Emergency Medicine (ABEM, IM, FP & GP)
 - ✓ Hospitalist/Intensivist
 - ✓ Surgery
 - ✓ Anesthesia
 - ✓ IM Sub-Specialties
- All agency placements undergo our strict compliance processes. Partner agencies are guaranteed to be properly insured and are covered by Aya's additional insurance umbrella

We believe access to subcontractors should be easy

With one click of a button, all Aya clients have access to the largest national agencies. These agencies can deliver solutions through the Aya platform and our clients can maintain:

- ✓ One point of contact
- ✓ One account manager
- ✓ One Joint Commission certified Aya compliance process
- ✓ One bill

You don't have to disrupt any existing processes or relationships with suppliers you value. You can use Aya software and our supplier network without implementing a full MSP solution.

Increase fill rates with qualified candidates

Why limit your candidate pool? Save time and money with the Aya Partner Network by accessing thousands of supplemental candidates as soon as your job is posted.

The Aya Partner Network comes as a standard option with any Aya contract. Aya does not hold jobs from partner agencies and guarantees payment to them within 29 days. This differentiated approach heightens supplier engagement, which leads to higher fill rates for your facility.

We want to work with organizations that share our core values. If you believe what we believe, we'd like to explore a partnership with your organization. For more information on the Aya Partner Network contact agencyquestions@ayahealthcare.com or visit ayahealthcare.com.
